This is a short description by the author, Michael Assibey-Bonsu, on how living the 365 principles for 365 days, found in this book, propelled him profoundly forward in life. The principles outlined in this book have completely shifted the way I see and view life on a day-to-day basis. Take, for example, the three deepest internalized principles of self-awareness, complete expression, and three for eight and ten for thirty. At the beginning of 2017, when I began to

internally understand and practice these, they allowed me to uncover and harness my passion, which had always been loosely tied to business and people. From becoming self-aware and understanding my passions, I began to completely express myself as who I am, nothing more and nothing less, which uncovered access to numerous untapped gifts and strengths I had no idea existed within me. This is how my startup companies of Nector and Digital Proof came into being and also how my latest project, Social Proof, is unfolding. These have all been created as a result of me following my passions, from self-awareness to completely expressing myself, together with living the 365 principles expressed in this book. From that point forward, the world and my purpose therein became clear, and the companies and teams I was able to build evolved effortlessly, as if an unseen yet guiding hand was directing me. I realized how everything had converged and, as a result, was able to continue adding more ideas and further innovation, which led to me understanding that I had tapped into my purpose, creating a bright and futuristic feeling. Thereafter, I followed the principle of three for eight and ten for thirty, which is the view that the future is bright and my purpose is even brighter. So the understanding that it will take a while to fully come to fruition leads to the realization and acceptance of the number of years I will have to keep moving toward my goals so as to reach who I was created to be. With these principles, the way is now clear, and I wake every day with a sense of fulfillment, regardless of the understanding of how long it may take. I now know what the end feels and looks like, which ultimately balances my passion and my purpose. This is such a powerful state of mind, and the greatest gift of wisdom that has been given to me by God the creator thus far. By positioning myself for greatness and following these 365 drops of wisdom, I wake up every day satisfied, before I've even reached my best self. These principles are not mine alone, but they are ours to share with all. I truly hope that my journey in following these 365 truths is emulated by many others and that they also reap the benefits and future they richly deserve. The present is bright, the past is forgotten, and the future is clear. All You Need is Love and Me The love gratitude journal is a great love gift for couples to write in. Those 365 Days were the most horrific days of my life where life and death hung in the balance. The worse part of the war at least for me, was to return back to the states being half the person that I was when I left. The worn and torn bodies which constantly laid before me each and every day reminded me of the possibility that one day, one of those bodies could be mine. Those thoughts, even now have grown into emotionally penetrating nightmares, that reinforced the many apprehensions about living my life completely and fulfilling that void of guilt and shame. After 47 years, I still think about those who I knew that didn't make it back, but the countless others who actually died will never find the proper resting place in my mind. Staying busy all of these years nurturing my career and my education has literally been my salvation, and the only outlet that I had was quiet withdrawal. To this day, I am that loner, but my therapy is the time that I spend writing and lecturing around the country. My ability to help other veterans, youth who are lost, and young adults who haven't quite grasped the idea of persistence to overcome their demons have brought me peace, and undeniable satisfaction. I thank God for the strength that I have found, and the healing for which I seek every single day. Without hope, without my practices to remain whole, these years that have passed would not have been possible. So, I have chosen to hunt the evil that others pretend doesn't exist that helps me to always be prepared for what could come and destroy me and those that I love. Semper Fi! As we maneuver through life's and all of its challenges and lessons we forget to remember the one most important gift god has given us, and that gift is the power of love. In order to love others we must first love ourselves. This book will help you learn to promote self love in your life by doing at least one thing every day.

Celebrating 365 Days of Gratitude is brimming over with appreciation and inside you will find evidence that the power of gratitude can be a life-changing force. These stories are about more than the polite "thank you" we so casually exchange every day. They're testimonials to the people and things we so often take for granted. Need a pick-me-up? How about a gratitude adjustment? Look inside-you'll be grateful you did. Be warned: Cultivating and expressing gratitude puts you in the driver's seat of your life. The main reason we are here on earth is to give God pleasure. Revelation 4.11 says, "Thou art worthy, O Lord, to receive glory and honor and power: for thou has created all things, AND FOR THY PLEASURE THEY ARE AND WERE CREATED" The very breath that we breathe, belongs to HIM, so we need to give it back to HIM. David says in Psalm 34.1: "I will bless the Lord at all times; HIS praise shall continually be in my mouth" And even as an ageing king in Psalm 71, he writes: "My mouth is filled with your praise, declaring your splendor all day long...I will praise you more and more" It is our only opportunity to give HIM the only food He enjoys- Praise and Worship- and this is the only thing you and I would be doing in heaven (no winning souls, no helping poor etc). So we may as well start now. And if we don't give HIM our praise, GOD says that HE would get the rocks to do it (How shameful- we who have HIS breath!) But why is praising God so difficult? Simply put, praise does not come naturally to most of us. We have to learn to praise. The very first reason I believe why we find it difficult is because we are just not accustomed to praising others, leave alone God. The second reason is that praise requires us to set ourselves aside and keep and think of God first- after all it is because of Him and for Him we live. And the third reason is that, in order to start praising, we need to change our pattern of life. We must take time to focus on God and His attributes. Therefore praising the Lord is not some kind of casual meaningless activity. Now what can praising God do to you? Praising God has the power to change our lives. Praise takes our mind off our own selves and helps us see who God is. It transforms the perspective from which we approach life and places us in the context of who God is. Praise helps us recognize God and His ability to impact our lives, and reminds us that He loves us and is deeply involved in every detail of our daily living. And here is something that can stir you up to praise HIM more. Psalm 67:3, 5, 6 says: "Let the people praise Thee, O God; Let all the people praise Thee. Then shall the earth yield her increase, and GOD, even our own GOD, shall bless us". Note the word 'then' in vs. 6. Most times we want God to bless us, then, we would think of possibly praising HIM. But see what vs. 6 says, "THEN". In other words, you start praising HIM first in faith, even before you've received anything and THEN see HIM pour out HIS blessings, because GOD dwells in the midst of praise (Psalm 22.3). So I pray that this small but powerful book: 'Raise your Praise all 365 Days' will help you do just that. You will find 366 bible verses exclusively on praising God- one for every day of the year, including one for a leap year. You could use it as an everyday tool, by reading that day's verse and reflecting on God's Goodness, Greatness, Glory, Grace and His Gifts that He has blessed you with and all that you see around you- or you could just decide to use it completing all the 366 verses at one go. I pray that this will be a blessing to you in your times of private worship. The sexy and deeply romantic internationally bestselling novel that inspired the blockbuster movie. Here are just some of the things you'll learn: - why living your life the hard way makes it easy (and other suggestions from a successful entrepreneur and longevity scientist); - how to overcome your initial resistance and procrastination based on the remark made by one of the most renowned Renaissance men; - why, according to an influential neurosurgeon, it's key to see problems as hurdles instead of obstacles (and how to do that); - how to embrace an experimental mindset to overcome a fear of failure (a technique recommended by a successful entrepreneur and musician); - how to quit in a smart way, according to a world-famous marketing expert; - how to improve your productivity at work by implementing the advice from one of the most successful detective fiction writers; - how a trick used by screenwriters can help you figure out the first step needed to get closer to your goals; - how to maintain self-discipline in the long-term by paying attention to what a bestselling non-fiction author calls necessary to survive and thrive; - how your most common thoughts can sabotage your efforts (and other valuable insights from one of the most respected Roman Stoics); and - how to overcome temporary discouragement and look at your problems from the proper perspective, as suggested by a well-known public speaker and author. like never before! "Suzan-Lori Parks is one of the most important dramatists America has produced."—Tony Kushner "The plan was that no matter what I did, how busy I was, what other commitments I had, I would write a play a day, every single day for a year. It would be about being present and being committed to the artistic process every single day, regardless of the 'weather.' It became a daily meditation, a daily prayer celebrating the rich and strange process of a writing life."—Suzan-Lori Parks

On November 13, 2002, the incomparable Suzan-Lori Parks got an idea to write a play every day for a year. She began that very day, finishing one year later. The result is an extraordinary testament to artistic commitment. This collection of 365 impeccably crafted pieces, each with its own distinctive characters and dramatic power, is a complete work by an artist responding to her world, each and every day. Parks is one of the American theater's most wily and innovative writers, and her "stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous" (TIME). 365 Days of Me is a journal filled with 365 quotes written by Nadine G. The quotes are meant to be conversation starters between you and your true self. Self-talk is powerful. She encourages healthy daily conversation with self as a conduit of healing and joy. The owner is encouraged to use this journal to write your truth. Nadine G. reminds us that we are marvelously created in the image of God. God is love, and therefore, so are we. This truth is the first step to healing. "Love is the moment a baby exits the womb and sees its parents - parents proud before a word is even spoken, before an action is taken. You, the baby, are loved just because you are. Be reborn today and know you are loved just because you are." "Let's Converse!" (Copied from back cover) One poem per day. 365 Days. Started on my birthday (April 21) and ended 1 year later, this book is sometimes thought provoking, sometimes inspiring, and even entertaining. The first of yearlong book projects, 365 Days offers, in poetic form, a rare glimpse "behind the curtain" so to speak, allowing the reader to see the process behind making and publishing the material "Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893", issued as vol. 26, no. 7, supplement. Do you have fun with your own life? How often do you really pay attention and choose things to improve your day? In 365 Days of Happiness, bestselling author, energy healer, and mindfulness teacher Jacqueline Pirtle has created daily inspirations that help you mindfully work towards living a more vivid experience of daily happiness. Showing that you can put in work to change your life while having fun, the practices are full of whimsy and delight. Jacqueline decided to spend every day of 2017 devoted to her own happiness. She wrote every single day about the things she does to honor her joy, and used these writings to create this 365 day step-by-step guide, so she could teach you how to shift to BE and live in a "high for life" frequency of happiness too-no matter where you are at in your life right now. She started writing these for herself, but has a little sneaky intent to touch your heart every day and initiate new learning, understanding, knowledge, and wisdom for you to get closer to your true, authentic happy self. Through light, bubbly, cheerful passages, each day teaches you to find happiness, use those sour lemons, and shift yourself into a "high for life" frequency where you can reach happiness anywhere at any time. A Better Me Every Day Planner (nearly 400 pages) - Passion, Purpose & Progress is a daily self-improvement for your growth. The productive and reflective journal contains a page for each day of the year and has plenty of spaces to put down your thoughts, such as things you want to improve, ways you can progress, obstacles you may face and how you plan to overcome them, and progress/setbacks by week.
