In this magnificently illustrated volume, artist, designer, and illustrator Pep Carrio documents a personal project to create a work of art everyday for a whole year. Using the pages of a diary as his canvas, Carrio tasked himself to create the works using any technique and drawing inspiration from anywhere, with the sole purpose being to meet the inevitable passage of time with something beautiful, intriguing, and out of the ordinary. Biographical Portrait of Liverpool's Spanish football manager Rafael Benitez and an extraordinary season for the club. When Rafael Benitez was appointed manager of under-achieving Liverpool at the start of the

2004-2005 season, the reaction of many fans was 'Who the **** is Rafael Benitez?'. The Liverpool fans had grown used to French manager Gerard Houllier but he had been a fan of the club himself since his days as a teacher on Merseyside. A Spaniard with admittedly a wonderful record at Valencia was going to take over management of Liverpool's famous Boot Room and try and win over a disillusioned Kop. But in one season, Benitez's importation of Spanish players, coaching methods and diet has led to a revolution, even usurping Jose Mourinho's Chelsea, whereby the team has ended the season winning the ultimate trophy for any European club - the European Champions League. No fan will ever forget the comeback from a 3-0 deficit to a 3-3 scoreline, then dramatic success in the penalty shoot-out. This is the story of Rafa's remarkable success. stickers for further consolidation of language Over three seasons in England, Pep Guardiola has built something the Premier League has never seen before: a team that dominates games like no other, scoring goals and collecting points and trophies at record-breaking pace. Throughout that journey, the Spanish journalists Lu Martín and Pol Ballús have been embedded with the club, reporting this inside account of how a phenomenal team was constructed: from the recruitment of Guardiola himself, to the backroom staff that provide the platform for his team and the superstar players that have set a new standard in British football. No other sportswriter has had this kind of access to Guardiola and his team during their three seasons in Manchester. The result is exclusive, in-depth interviews and profiles of every key figure at City, and the inside stories on the decisions that have shaped the team, including the defensive transformation that saw Guardiola change his goalkeeper and full-backs ahead of his record-breaking 100-point season of 2017-18; the dinner date with Sergio Agüero that changed the course of the City striker's career; and close-ups on every big game in the thrilling finale to the 2018-19 title race. From Cruyff's "Total Football" to the epic rivalry between Guardiola and Mourinho, a gripping chronicle of the rise and fall of Barcelona's dominance in world soccer. Barcelona's style of play -- pressing and possessing -- is the single biggest influence on modern soccer. In *The Barcelona Inheritance*, Jonathan Wilson reveals how and why this came to pass, offering a deep analysis of the evolution of soccer tactics and style. In the late 1990s, Johan Cruyff's Dream Team was disintegrating and the revolutionary manager had departed, but his style gave birth to a new generation of thinkers, including Pep Guardiola and José Mourinho. Today, their teams are first and second in the Premier League, marking the latest installment in a rivalry that can be traced back twenty-

five years. The Barcelona Inheritance is a book about the tactics, the personalities, the friendships, and, in one case, an apocalyptic falling-out that continue to shape the game today. The Hellbangers are the "enfants terribles" of a sleepy, diamonds rich country. Photographer Pep Bonet (1974, Mallorca) has been following Overthrust, a heavy metal band from Botswana, Africa, and shows us a growing, exciting and thoroughly organic heavy metal community. Ten years ago, one group existed. Today there are more than ten - and their fans are growing every year. The inhabitants of Botswana portrayed in this book are tattooed, loudly and proudly dress in leather, and play heavy death metal music. Imagine the DIY ingenuity of their 'costume creation' involving harvested animal skulls and other natural elements. With names like Demon and Gunsmoke, it would be easy though to think they are thugs, but "We try to be examples. Rock is a wild thing, but also something for the heart", says Gunsmoke, the heavy metal head. Here too, the lyrics of the songs are very critical towards societies, just like their western peers. Metal in Botswana is rebellious movement against authorities. This is the story of what looks at first to be an unlikely union, yet one which powerfully illustrates how music, how heavy metal music, has become a positively unifying force in an unlikely part of the world. With text contributions written by Pep Bonet and Steffan Chirazi, and a foreword by Rob Halford from Judas Priest. Photocopiable materials can be found in the Teacher's Edition: Story cards Activity sheets Tests Mastering the Premier League is the story behind the success of Pep Guardiola at Manchester City. It offers an in-depth look at the tactical concepts underlying a footballing superpower - revealing who does what, how and why. Discover the secrets of the game model developed by Guardiola that sets City apart from the rest. When Guardiola joined Manchester City in 2016 there were doubts that he could replicate his successful model of football in the English game. But after a single season of acclimatisation we saw those doubts shattered as City won the Premier League in 2017/18 with a record 100 points. Beyond the trophies and the records, however, lies a yet more intriguing story - of how Guardiola adapted and perfected the tactical principles that had made him so successful at Barcelona and Bayern Munich. Who played the key roles on the field, enabling Manchester City's successes of 2017-19. And why the other Premier League sides were unable to stop the City juggernaut sweeping aside all in its path. A comprehensive volume of international research on the European reception of Laurence Sterne. The Student Book includes materials to effectively present and practice the target language. "Published in association with BackPage Press." 'A history of modern Spain told through one of world football's most intense rivalries' Independent 'Sports Book of the Year' Sunday Times It's Messi vs Ronaldo, it's Catalonia vs Castilla. It's the nation against the state, freedom fighters vs Franco's fascists. It's majestic goals and mesmerising skills, red cards and bench brawls. It's the best two teams on the planet going face to face and toe to toe. It's more than a

game. It's a war. It's Barcelona vs Real Madrid. Only, it's not that simple. From the wounds left by the civil war to the teams' recent global domination, historian and expert on Spanish football, Sid Lowe lifts the lid on sport's greatest rivalry. Lowe has spoken to the biggest names and the forgotten heroes who defined their clubs. Men like Alfredo Di Stéfano and Johan Cruyff as well as the only survivor of the most politically charged game in history, the Barcelona striker who knocked Madrid out of the European Cup for the first time ever, and the president who celebrated his club's defining moment by taking a midnight dip in the Thames. By exploring the history, politics, culture, economics and language, while never forgetting the drama on the pitch, Lowe demonstrates the symbiotic nature of the relationship between these two football giants. In doing so he reveals the human story behind this explosive rivalry.

Pep's influence, from handing the power to Barça's homegrown crop to never betraying his childhood romanticism of the game Four Four Two 'Balague's insightful biography presents Guardiola as a relentless perfectionist - a man obsessed with the minutiae of football, often unable to switch off' SPORT This fully updated edition of the international bestseller includes Manchester City's incredible 2017-18 league triumph Pep Guardiola is the most successful and sought-after football coach in the world. After being appointed first-team manager in 2008, he transformed Barcelona into arguably the greatest club side of all time, winning thirteen trophies in four years, and he won the Double twice in his three years in charge of Bayern Munich. He then faced his biggest challenge yet when he joined Manchester City in 2016: to turn them into a team that consistently wins in the most difficult of leagues and a regular challenger in the Champions League. But in only his second year at the club, he had turned a good side into memorable one, leading them to the Premier League title in record-breaking style . . . and doing it the Guardiola way. Guillem Balagué has followed Pep's career from the outset and has had direct access to the man and his inner circle for this updated edition. This then is the definitive portrait of Pep Guardiola and his relentless pursuit of footballing perfection. The Student Book is organized as follows: Welcome Unit introduces students to the group of characters and the story of their island Eight ten page theme-based units Review after every two units Wider World pages teach culture from around the world: one topic for every two units Goodbye unit to wrap up and consolidate Four festival pages teach about holidays Picture Dictionary Activity stickers for further consolidation of language This book gives you a rare opportunity to use Pep Guardiola's Practices and learn from one of the best coaches in the history of football. The 88 Attacking

Combinations and Attacking Positional Patterns of Play included are taken direct from Pep Guardiola's training sessions at Manchester City, Bayern Munich and FC Barcelona. Carlo Ancelotti is one of the greatest managers of all time, with five Champions League titles to his name. Yet his approach could not be further from the aggressive theatricals favoured by many of his rivals. His understated style has earned him the fierce loyalty of players like David Beckham, Zlatan Ibrahimovic and Cristiano Ronaldo. In *Quiet Leadership*, Ancelotti reveals the full, riveting story of his managerial career - his methods, mentors, mistakes and triumphs - and takes us inside the dressing room to trace the characters, challenges and decisions that have shaped him. The result is both a scintillating memoir and a rare insight into the business of leadership. As Pep Guardiola shatters records and confounds the norms of English football and players such as David De Gea and David Silva light up the national game, Spanish stars are transforming the way English football is conceived. But the origins of this particular Spanish invasion date back to 1937, when the Spanish Civil War led to a stream of refugees fleeing their country for the safe haven of England. Their families reveal how the refugees learned the game here, before returning to Spain where one would score Real Madrid's first goal in the Bernabeu stadium and another would be the first man to conceive of Barcelona's vaunted La Masia academy that would later launch stars such as Lionel Messi, Cesc Fabregas and Xavi Hernandez. In recent years the reputation of Spain's footballers has grown, and every club craves a sprinkling of tiki-taka magic. Through dozens of exclusive interviews, Adam Crafton has spoken to many of the key Spanish figures who have come to England and he creates a compelling portrait of their impact on the English game. We discover how and why it is that some players, such as Xabi Alonso, Pepe Reina and Juan Mata,

have had great success here, while others have toiled so painfully. But this is not just a footballing story, pure and simple. Crafton provides the historical and social context that helps to explain how the relationship between the two nations is constantly changing, yet always close. For anyone who enjoyed Jonathan Wilson's *Inverting the Pyramid* or Sid Lowe's *Fear and Loathing in La Liga*, this book is a revealing and brilliant insight into this most benign of Spanish invasions.
