The Turn Mar 30 2021 T The Turn analyzes the research of information seeking and retrieval (IS&R) and proposes a new direction of integrating research in these two areas: the fields should turn off their separate and narrow paths and construct a new avenue of research. An essential direction for this avenue is context as given in the subtitle Integration of

Information Seeking and Retrieval in Context. Other essential themes in the book include: IS&R research models, frameworks and theories; search and works tasks and situations in context; interaction between humans and machines; information acquisition, relevance and information use; research design and methodology based on a structured set of

explicit variables - all set into the holistic cognitive approach. The present monograph invites the reader into a construction project - there is much research to do for a contextual understanding of IS&R. The Turn represents a wide-ranging perspective of IS&R by providing a novel unique research framework, covering both individual and social aspects of information behavior, including

the generation, searching, retrieval and use of information. Regarding traditional laboratory information retrieval research, the monograph proposes the extension of research toward actors, search and work tasks, IR interaction and utility of information. Regarding traditional information seeking research, it proposes the extension toward information access technology and work task contexts. The Turn is the first synthesis of research in the broad area of IS&R ranging from systems oriented laboratory IR

research to social science oriented information seeking studies. Turn of the Screw Jul 22 2020 One of the most disturbing ghost stories ever written, a tale of imagined danger and real dread. The Turn of the Screw, originally published in 1898, is a gothic ghost story novella. Due to its original content, the novella became a favourite text of academics who subscribe to New Criticism. Many critics have tried to determine the exact nature of the evil hinted at by the story. However, others have argued that the true brilliance of the novella comes with its ability to create an intimate confusion and suspense for the

reader. The Turn of the Screw Jul 02 2021 The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). In October 1898 it appeared in The Two Magics, a book published by Macmillan in New York City and Heinemann in London. **The Turn of the Screw** Nov 25 2020 The Turn of the Screw', first published in 1898, is a novella written by Henry James, who was considered a master of creating best psychological fiction. It is a gothic novel, work of great horror, by one of the most acclaimed

authors of the modern European literature.

The Turn of the Screw and Owen Wingrave

Apr 18 2020 Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure. This edition of Henry James's classic ghost stories features an afterword by bestselling author Kate Mosse OBE. A young governess is employed to look after two orphaned siblings in a grand country house. Isolated and inexperienced, she is at first charmed

by the children - but gradually suspects that they may not be as innocent as they seem. She soon begins to see sinister figures at the window, but do they exist solely in her imagination, or are they ghosts intent on a terrible and devastating task? The Turn of the Screw by Henry James is one of the most famous and eerily equivocal ghost stories ever written. Owen Wingrave is the story of a son in a long line of military heroes who refuses to follow tradition, yet proves his bravery in a haunted room.

An Anatomy of The Turn of the Screw

May 20 2020 The ambiguous intent of Henry

James's horror story The Turn of the Screw has fascinated and divided its readers since its publication in 1898. The division arises between the apparitionists and the nonapparitionists in interpretation of the plot and the characters. Thomas Mabry Cranfill and Robert Lanier Clark, Jr., have here taken up the argument and made an interpretation of their own. The authors carefully considered the mountainous critical comment, studied James's statements regarding his intent, and minutely scrutinized the story itself. After all this probing of opinions and

following of clues and observing of human beings in action, they have come out strongly on the side of the nonapparitionists. The authors base their conclusion on analyses of character, centrally that of the governess, whom they consider the protagonist of the fearsome drama, but peripherally those of Mrs. Grose, the children, the uncle in Harley Street, and even the deceased Miss Jessel and Peter Quint. Relentlessly they relate every episode, action, and speech to the character of the governess and her relationships with those around her at Bly, picturing her as a psychological "case" whose

abnormal mental state brings to those around her the inescapable misery they all suffer. The authors' analysis unfolds as interestingly in terms of character and motive as if the reader did not already know what happens in James's much-read story. It moves, moreover, with something of the same suspense as James's horror tale, although the tension is intellectual rather than emotional. Each additional disclosure of evidence, the resolution of each situation, and the clarification of every puzzling ambiguity builds the analysis step-by-inevitable-step to its inescapable conclusion. The

style of the analysis is graceful, urbane, and witty. The introduction gives an excellent appraisal of literary comment on James's story and an illuminating summary of the literary "war" over the meaning of it; the bibliography provides an impressive list of books and articles on this subject, annotated to indicate in what particular ways each makes a contribution to the controversy. Turn of Mind Jun 13 2022 The New York Times bestseller—a stunning first novel, both literary and thriller, about a retired orthopedic surgeon with dementia. With unmatched patience and a

pulsating intensity, Alice LaPlante brings us deep into a brilliant woman's deteriorating mind, where the impossibility of recognizing reality can be both a blessing and a curse. As the book opens, Dr. Jennifer White's best friend, Amanda, who lived down the block, has been killed, and four fingers surgically removed from her hand. Dr. White is the prime suspect and she herself doesn't know whether she did it. Told in White's own voice, fractured and eloquent, a picture emerges of the surprisingly intimate, complex alliance between these life-long friends—two proud, forceful women

who were at times each other's most formidable adversaries. As the investigation into the murder deepens and White's relationships with her live-in caretaker and two grown children intensify, a chilling question lingers: is White's shattered memory preventing her from revealing the truth or helping her to hide it? "An electrifying book. Thought-provoking, humane, funny, tragic, a tour de force that can't be a first novel—and yet it is." —Ann Packer, New York Times bestselling author "This poignant debut immerses us in dementia's complex choreography . . . [A] lyrical mosaic, an indelible portrait

of a disappearing mind." —People "LaPlante has imagined a lunatic landscape well. The twists and turns of mind this novel charts are haunting and original." —The New York Times Book Review [Benjamin Britten: The Turn of the Screw](#) Dec 07 2021 This book is designed to introduce the non-specialist music lover to Britten's opera, *The Turn of the Screw*. The opening chapters by Vivien Jones and Patricia Howard deal with the literary source of the opera (Oames's novella), the structure of the libretto, and the technique by which a short story was transformed into an opera. The central

chapter, on the musical style and structures of the opera, includes an account of the composition process deduced from early sketches of the work by John Evans, an analysis of the unique form of the opera with a more detailed examination of the last scene by Patricia Howard, and an account of the significance and effect of the orchestration by Christopher Palmer. Finally, Patricia Howard traces the stage history of the work, from its initial reception in Venice in 1954, through some seminal reinterpretations in the 1960s to its present established position in the repertoire. The

book is generously illustrated and there is also a bibliography and discography. *The Turn of Midnight* May 12 2022 A deadly plague is spreading across the land...

As the year 1349 approaches, the Black Death continues its devastating course across England. In Dorsetshire, the quarantined people of Develish question whether they are the only survivors. Guided by their beloved young mistress, Lady Anne, they wait, knowing that when their dwindling stores are finally gone they will have no choice but to leave. But where will they find safety in the desolate

wasteland outside? One man has the courage to find out. Thaddeus Thurkell, a free-thinking, educated serf, strikes out in search of supplies and news. A compelling leader, he and his companions quickly throw off the shackles of serfdom and set their minds to ensuring Develish's future - and freedom for its people. But what use is freedom that cannot be gained lawfully? When Lady Anne and Thaddeus conceive an audacious plan to secure her people's independence, neither foresees the life-threatening struggle over power, money and religion that follows...

'Wonderful and sweeping, with a fabulous sense of place and history.' Kate Mosse on *The Last Hours*

A Case of Circumstantial Evidence
Arthur Cheney Train (1875-1945) was an American lawyer and writer of legal thrillers, particularly known for his novels of courtroom intrigue and the creation of the fictional lawyer Mr. Ephraim Tutt, a wily old lawyer who supported the common man and always had a trick up his sleeve to right the law's injustices. Train wrote a number of novels and short stories inspired by his parallel career as a lawyer in private practice and a New York County District Attorney.

The Turn of the Key
Jan 20 2023
INSTANT NEW
YORK TIMES
BESTSELLER From
the #1 New York

Times bestselling
author of In a Dark,
Dark Wood, The
Woman in Cabin 10,
The Lying Game,
and The Death of
Mrs. Westaway
comes Ruth Ware's
highly anticipated
fifth novel. When
she stumbles across
the ad, she's
looking for
something else
completely. But it
seems like too good
an opportunity to
miss—a live-in
nannying post, with
a staggeringly
generous salary.
And when Rowan
Caine arrives at
Heatherbrae
House, she is
smitten—by the
luxurious “smart”
home fitted out
with all modern
conveniences, by
the beautiful
Scottish Highlands,
and by this picture-
perfect family.

What she doesn't
know is that she's
stepping into a
nightmare—one
that will end with a
child dead and
herself in prison
awaiting trial for
murder. Writing to
her lawyer from
prison, she
struggles to explain
the unravelling
events that led to
her incarceration. It
wasn't just the
constant
surveillance from
the cameras
installed around the
house, or the
malfunctioning
technology that
woke the household
with booming
music, or turned
the lights off at the
worst possible time.
It wasn't just the
girls, who turned
out to be a far cry
from the
immaculately
behaved model

children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman, Jack Grant. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder. Which means someone else is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable

thriller from the Agatha Christie of our time.

The Turn of the Screw By Henry James Dec 15 2019

The story had held us, round the fire, sufficiently breathless, but except the obvious remark that it was gruesome, as, on Christmas Eve in an old house, a strange tale should essentially be, I remember no comment uttered till somebody happened to say that it was the only case he had met in which such a visitation had fallen on a child. The case, I may mention, was that of an apparition in just such an old house as had gathered us for the occasion—an appearance, of a

dreadful kind, to a little boy sleeping in the room with his mother and waking her up in the terror of it; waking her not to dissipate his dread and soothe him to sleep again, but to encounter also, herself, before she had succeeded in doing so, the same sight that had shaken him. It was this observation that drew from Douglas—not immediately, but later in the evening—a reply that had the interesting consequence to which I call attention. Someone else told a story not particularly effective, which I saw he was not following. This I took for a sign that he had himself something to

produce and that we should only have to wait. We waited in fact till two nights later; but that same evening, before we scattered, he brought out what was in his mind.

The Turn of the Tide

"The Turn of the Tide" by Eleanor H. Porter. Published by Good Press.

Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to

boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Gold Standard at the Turn of the Twentieth Century

Jan 08 2022 By the end of the nineteenth century, the world was ready to adopt the gold standard out of concerns of national power, prestige, and anti-English competition. Yet although the gold standard allowed countries to enact a virtual single world currency, the years before World War I were not a time of unfettered liberal economics and one-world, one-market

harmony. Outside of Europe, the gold standard became a tool for nationalists and protectionists primarily interested in growing domestic industry and imperial expansion. This overlooked trend, provocatively reassessed in Steven Bryan's well-documented history, contradicts our conception of the gold standard as a British-based system infused with English ideas, interests, and institutions. In countries like Japan and Argentina, where nationalist concerns focused on infant-industry protection and the growth of military power, the gold standard enabled the expansion of trade and the goals

of the age: industry and empire. Bryan argues that these countries looked less to Britain and more to North America and the rest of Europe for ideological models. Not only does this history challenge our idealistic notions of the prewar period, but it also reorients our understanding of the history that followed. Policymakers of the 1920s latched onto the idea that global prosperity before World War I was the result of a system dominated by English liberalism. Their attempt to reproduce this triumph helped bring about the global downturn, the Great Depression, and the

collapse of the interwar world.
Judaisms and Their Messiahs at the Turn of the Christian Era Jan 16 2020 In its approach to evidence, not harmonizing but analyzing and differentiating, this book marks a revolutionary shift in the study of ancient Judaism and Christianity.
Moral Complexities in Turn of the Millennium British Literature Oct 13 2019 "This book offers a critical analysis of morally complex social, political, and cultural issues in novels by Kazuo Ishiguro, Patrick McGrath, Graham Swift, Andrea Levy, and Jeanette Winterson. It

Turn of the Moon

Nov 06 2021 *~* A seductively hot, shifter romantic suspense novel by NEW YORK TIMES and USA TODAY bestselling author, L.P. Dover. NO CLIFFHANGER *~* One girl. Two wolves. Promised to one. Destined for the other. To escape the cruel, overbearing, Kade, the Yukon Pack alpha she's been promised to, Bailey Whitehill flees her home in search of a new life, one of freedom where she can make her own choices. However, Kade will stop at nothing to make her his and begins the hunt. As Bailey starts her new life, everything she's known to be true, is not. Time is of the essence and choices have to be made or

consequences suffered. Not only does Bailey fear Kade, but another danger lurks deep in the recesses of the forest. Unbeknownst to her, that danger is what she's been searching for all along. At the turn of the moon, her fate hangs in the balance . . . and it's up to her to make the right choice

Emotions and Migration in Argentina at the Turn of the 20th Century Jun 20 2020 Revealing the lives of migrant couples and transnational households, this book explores the dark side of the history of migration in Argentina during the late 19th and early 20th centuries. Using

court records, censuses, personal correspondence and a series of case studies, María Bjerg offers a portrayal of the emotional dynamics of transnational marital bonds and intimate relationships stretched across continents. Using microhistories and case studies, this book shows how migration affected marital bonds with loneliness, betrayal, fear and frustration. Focusing primarily on the emotional lives of Italian and Spanish migrants, this book explores bigamy, infidelity, adultery, domestic violence and murder within official and unofficial unions. It reveals the

complexities of obligation, financial hardship, sacrifice and distance that came with migration, and explores how shame, jealousy, vengeance and disobedience led to the breaking of marital ties. Against a backdrop of changing cultural contexts Bjerg examines the emotional languages and practices used by adulterous women against their offended husbands, to justify domestic violence and as a defence against homicide. Demonstrating how migration was a powerful catalyst of change in emotional lives and in evolving social standards, Emotions and

Migration in Early Twentieth-century Argentina reveals intimate and disordered lives at a time when female obedience and male honour were not only paramount, but exacerbated by distance and displacement. *Turn of the Screw* Sep 16 2022 Set in 1840, a young governess agrees to look after two orphans, a boy and a girl, in Bly, a seemingly idyllic country house. But, shortly after her arrival, she realises that they are not alone. There are others - the ghosts of Bly's troubled past. The Governess will risk everything to keep the children safe, even if it means giving herself up to The Others. Years later,

confronted by the past she is compelled to account for what actually happened to her and those under her protection. This fresh, thrilling adaptation of Henry James' much-loved and genre defining classic ghost story *Turn of the Screw* lets you draw your own conclusions about the events at Bly and where guilt resides. *The Turn of the Screw and Other Stories* Jan 28 2021 A young, inexperienced governess is charged with the care of Miles and Flora, two small children abandoned by their uncle at his grand country house. She sees the figure of an unknown man on

the tower and his face at the window. It is Peter Quint, the master's dissolute valet, and he has come for little Miles. But Peter Quint is dead. Like the other tales collected here - 'Sir Edmund Orme', 'Owen Wingrave', and 'The Friends of the Friends' - 'The Turn of the Screw' is to all immediate appearances a ghost story. But are the appearances what they seem? Is what appears to the governess a ghost or a hallucination? Who else sees what she sees? The reader may wonder whether the children are victims of corruption from beyond the grave, or victims of the governess's 'infernal imagination', which

torments but also entrals her? 'The Turn of the Screw' is probably the most famous, certainly the most eerily equivocal, of all ghostly tales. Is it a subtle, self-conscious exploration of the haunted house of Victorian culture, filled with echoes of sexual and social unease? Or is it simply, 'the most hopelessly evil story that we have ever read'? The texts are those of the New York Edition, with a new Introduction and Notes. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's

commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Turn of the Screw Feb 09 2022

The Turn of the Screw is a short novel or a novella written by American writer Henry James. Originally published in 1898, it is ostensibly a ghost story that has lent itself well to operatic and film

adaptation. Due to its ambiguous content and narrative skill, *The Turn of the Screw* became a favorite text of New Criticism. The account has lent itself to dozens of different interpretations, often mutually exclusive, including those of a Freudian nature. Many critics have tried to determine what exactly the nature of evil within the story is.

The Turning (Movie Tie-In) Jul 14 2022

One of the greatest ghost stories ever told, *The Turn of the Screw* is now a feature film from Universal Pictures premiering January 24th, produced by Steven Spielberg and starring Finn

Wolfhard and Mackenzie Davis
This unsettling collection brings together eight of Henry James's tales exploring ghosts and the uncanny, including his infamous ghost story, "The Turn of the Screw," a work saturated with evil. James's haunting masterpiece tells of a nameless young governess sent to a country house to take charge of two orphans, Miles and Flora. Unsettled by a dark foreboding of menace within the house, she soon comes to believe that something malevolent is stalking the children in her care. But is the threat to her young charges really a malign and ghostly presence or

something else entirely? This collection also includes "The Jolly Corner," "Owen Wingrave," and further tales of visitations, premonitions, madness, grief, and family secrets, where the living are just as mysterious and unknowable as the dead. In these chilling stories, Henry James shows himself to be a master of haunting atmosphere and unbearable tension.

Turn of the Tortoise Apr 30 2021 Originally published by Allen Lane, New Delhi, in 2015.

[The Turn of the Tide](#) Jun 01 2021 From acclaimed author of *A Wolf Called Wander*, Rosanne Parry comes an exciting

and tender friendship story about two cousins looking for their destiny. On a beautiful day in June, the ground broke open. In Japan, you're always prepared for an earthquake. That's why Kai knows just what to do when the first rumbles shake the earth. But he does the exact opposite of what you're supposed to do: He runs. And then the tsunami hits. Meanwhile, on the other side of the Pacific, Kai's cousin Jet sets sail off the coast of Astoria, Oregon. She knows she should have checked the tide—she always checks the tide. Except this time she didn't. When the biggest

mistakes of their lives bring them together, Jet and Kai spend the summer regretting that one moment when they made the wrong decision. But there's something about friendship that heals all wounds, and together, Jet and Kai find the one thing they never thought they'd have again—hope.

A Turn of the Tide

Dec 27 2020 In Thorne Manor there is one locked door. Behind it lies a portal to the twenty-first century, and nothing is going to stop Miranda Hastings from stepping through. After all, she is a Victorian writer of risqué pirate adventures—traveling to the future

would be the greatest adventure of them all. When Miranda goes through, though, she lands in Georgian England...and in the path of Nicolas Dupuis, a privateer accused of piracy. Sheltered by locals, Nico is repaying their kindness by being their “pirate Robin Hood,” stealing from a corrupt lord and fencing smuggled goods on the village's behalf. Miranda embraces Nico's cause, only to discover there's more to it than he realizes. Miranda has the second sight, and there are ghosts at play here. The recently deceased former lord is desperate to stop his son from destroying his

beloved village. Then there's the ghost of Nico's cabin boy, who he thought safe in a neighboring city. Miranda and Nico must solve the mystery of the boy's death while keeping one step ahead of the hangman. It may not be the escapade Miranda imagined, but it is about to be the adventure of a lifetime.

Britain at the Turn of the Twenty-first

Century Feb 15 2020 At the turn of the twenty-first century Britain is in a state of change. It is being transformed by the ongoing process of devolution as well as by its increasing multi-ethnicity. At the same time the relationship with

the European Union remains controversial. This book charts these transformations in the context of the changes Britain experienced a century ago, at the turn of the twentieth century. Focusing on British politics, culture and literature the articles examine a range of topics, including models of utopian and apocalyptic thought, the contemporary celebrity cult, the state of literary theory in Britain and the recent "boom" in lyrical poetry and the "drama of blood sperm". The book is of interest to university lecturers, teachers, students of English and the general reader

interested in the present condition of the United Kingdom. Book jacket. *The Turn of the Screw Illustrated* Apr 11 2022 The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). [Turn of the Tide](#)
Aug 15 2022 Set in 16th Century Scotland Munro owes allegiance to the Cunninghames and to the Earl of Glencairn. Trapped in the 150-year-old feud between the Cunninghames and the Montgomeries, he escapes the bloody aftermath of an ambush, but he cannot escape the disdain of the wife he sought to protect, or his own internal conflict. He battles with his conscience and with divided loyalties, to age-old obligations, to his wife and children,

and, most dangerous of all, to a growing friendship with the rival Montgomerie clan. Intervening to diffuse a quarrel that flares between a Cunninghame cousin and Hugh Montgomerie, he succeeds only in antagonizing William, the arrogant and vicious Cunninghame heir. And antagonizing William is a dangerous game to play.
The Turn of the Screw & In the Cage Nov 18 2022 This Modern Library Paperback Classics edition brings together one of literature's most famous ghost stories and one of Henry James's most unusual novellas. In *The Turn of the*

Screw, a governess is haunted by ghosts from her young charges past; Virginia Woolf said of this masterpiece of psychological ambiguity and suggestion, We are afraid of something unnamed, of something, perhaps, in ourselves...Henry James...can still make us afraid of the dark. In his rarely anthologized novella *In the Cage*, James brings his incomparable powers of observation to the story of a clever, rebellious heroine of Britain's lower middle class. Hortense Calisher, in her Introduction, calls it a delicious story, the more so because it confounds what we expect from James.

In the Cage Oct 17 2022 *In the Cage* is a novella by Henry James, first published in 1898. This story centres on an unnamed London telegraphist. She deciphers clues to her clients' personal lives from the often cryptic telegrams they submit to her as she sits in the "cage" at the post office. Sensitive and intelligent, the telegraphist eventually finds out more than she may want to know.
