An entertaining and fascinating memoir of
“gifted storyteller” (People) Ann Hood’s
adventurous years as a TWA flight attendant.
In 1978, in the tailwind of the golden age of
air travel, flight attendants were the epitome
of glamor and sophistication. Fresh out of
college and hungry to experience the world—and
maybe, one day, write about it—Ann Hood joined
their ranks. After a grueling job search, Hood
survived TWA’s rigorous Breech Training
Academy and learned to evacuate seven kinds of
aircraft, deliver a baby, mix proper

cocktails, administer oxygen, and stay calm no matter what the situation. In the air, Hood found both the adventure she'd dreamt of and the unexpected realities of life on the job. She carved chateaubriand in the first-class cabin and dined in front of the pyramids in Cairo, fended off passengers' advances and found romance on layovers in London and Lisbon, and walked more than a million miles in high heels. She flew through the start of deregulation, an oil crisis, massive furloughs, and a labor strike. As the airline industry changed around her, Hood began to write—even drafting snatches of her first novel from the jump-seat. She reveals how the job empowered her, despite its roots in sexist standards. Packed with funny, moving, and shocking stories of life as a flight attendant, *Fly Girl* captures the nostalgia and magic of air travel at its height, and the thrill that remains with every takeoff. Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his

36-foot steel-hulled Chevrier sloop.
