From the bestselling author of *The Monk Who Sold His Ferrari* A chance encounter following a near-death experience sends Jack Valentine on a paradigm-shifting quest to understand the true meaning of life and find his most authentic self Jack Valentine seemed to have it all. He made good money as an ad man and looked good doing it. He had a hot apartment, cool friends, even a slick car—at least until the hectic Monday morning a truck smashed into it, sending the critically injured Jack to the hospital. Everything happens for a reason, though, and Jack’s reason reveals itself in the silver-haired cancer patient who becomes his roommate one evening. The elderly man, Cal, shares his life story—one not dissimilar to Jack’s—of material wealth masking a gaping hole within. Cal ultimately found salvation through philosophy (“the love of wisdom”), and now offers to help Jack by prepping the younger man for the Final Questions we all must face: Have I lived wisely? Have I loved well? Have I served greatly? Presenting Jack with three plane tickets, each accompanied by a map marked with a red X, Cal sends Jack to meet with three great teachers, each of whom will help Jack answer one of the Final Questions—just as they once helped Cal. First, in Rome, Jack will meet “the Saint.” Then a haunted beach in Hawaii introduces him to “the Surfer.” And finally the grandeur of New York City sets the stage for his last encounter: with “the CEO.” Along the way, Jack will learn to do his interior work, discover that our negative traits offer gateways to higher versions of ourselves, and understand that figuring things out in your head can distract you from the powerful whispers of your heart. Join Jack on his journey and step into the you that you were always meant to be. ABOUT THE ORIGINAL BOOK Our attitude is the perspective with which we make all of our decisions in life. According to our attitude, we choose the activities we want to do, measure our energy levels and react to different situations. Therefore, it is logical to conclude that our attitude is essential if we want to lead a full life. The good news is that we can get full control of our attitude to stay enthusiastic and full of energy. That is the goal of the tips and methods presented in this book. Let's take this as our starting point to perform an internal replenishment that balances us in these three areas. This guide is for those who are immersed in their work world, but who want to transform themselves to find personal improvement that stabilizes their lives. The Monk Who Sold His Ferrari was published in 1997 and has already become a classic in this area. It relates the story of Julian Mantle, a lawyer who manages to find enlightenment and healing to achieve a happier and more rewarding existence. The anecdote is full of advice that Julian gave his former colleague John, although in reality they are intended for the reader to draw a parallel between their own story and that of the character, thus making it easier to exemplify a change of life. The advice is based on the teachings of the Sages of Sivana and their seven virtues, which Julian learns when he decides to seek wisdom in the Himalayan Mountains after his health declines. A common man's journey... **YOUR ROAD MAP TO ACHIEVING FINANCIAL FREEDOM AND LIVING YOUR DREAMS** Financial freedom is not defined by your net worth or your social status. It does not matter how much you earn – what matters is how much you can save and invest wisely. The secret to financial freedom is learning the basic concepts of planning well and adopting the right attitude. But how does one achieve this? Written by a common man for the common man, this book will help you lead a financially independent and conscious life. Everyone around us is trapped in a mindless rat race. If you've resolved to take control of your finances and construct a personal finance plan, *From the Rat Race to Financial Freedom* is a good starting point. Emotion "One can make any emotion into a creative force in one's life." – Sadhguru It's not just poetic license that allows us to refer to emotions as "juicy". In a literal sense also, emotions are a chemical cocktail that course through our bodies. But while we have no problems with pleasant emotions, unpleasant emotions are the source of much angst in our lives. In *Emotion: The Juice of Life*, Sadhguru looks at the gamut of human emotions and how to turn them into stepping stones rather than stumbling blocks. Relationships "If you enhance yourself into a very beautiful state, everyone will want to hold a relationship with you." – Sadhguru Human beings constantly make and break relationships. Unfortunately, relationships can make and break human beings too. Why are relationships such a circus for most of us? What is this primal urge within us that demands a bond – physical, mental, or emotional – with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that *Relationships: Bond or Bondage* looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with the very existence itself. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches. **PLEASE NOTE:** This is a summary,
