Plato's Republic Jan 08 2022 Designed for courses in the history of philosophy, social and political theory, government, and Plato specifically, Plato's Republic: Critical Essays will enrich students' understanding of this profoundly influential work. The comprehensive collection covers Plato's social and political thought, his metaphysics and epistemology, his ethical theory, and his attitude towards women. The essays, chosen for their clarity and ability to stimulate student discussion, are related to one another in ways that will help students see the connections among the various strands of Plato's thought. The book includes an index of passages to guide students through parts of the Republic that they find challenging.

Chakra Awakening Mar 10 2022 It is possible to design your own reality and live each day with prosperity, joy, and complete health. With gemstones, crystals, and the power of focused intent, you can transform your life using the amazing energy within—the chakras. Drawing on ancient spiritual wisdom and the law of attraction, this practical guide shows you how to activate and balance the seven main chakras—energy centers in the body that influence everything from migraines and fertility to creative expression and intuition. Perform simple techniques using gems, crystals, colors, essential oils, and other effective tools to foster healing and create positive change for your physical, emotional, and spiritual well-being. *Chakra Awakening* includes color photos of more than seventy gemstones, plus step-by-step exercises to help you bring true balance to every facet of your life. Identify areas that may need adjustment Clear negative energy Align each of your chakras Create sacred space with sound and herbs Praise: "This book can truly help you balance all of your chakras (and your life) with ease and joy!"—Denis Linn, bestselling author of *Sacred Space*

Building a New Nation Jun 01 2021 In April 1976, Dan Connell slipped into Eritrea's besieged capital, Asmara, where he witnessed the assassination of a top-ranking Ethiopian official and its bloody aftermath—the summary execution of dozens of innocent civilians. His front-page account in *The Washington Post* broke Ethiopia's long-standing information blockade. Connell went on to write about the radical social transformation underway in guerrilla-held areas, the near defeat of Ethiopia's American-backed army, the
