feb 3 2022 hi just wondering if there is a more detailed user
manual for the factory fitted satnav system the driver user
manual gives some info near the back of the manual but it s
not really that good and i m sure that about a week ago there
was a discussion in these forums which was related to a user
manual for the satnav system but having web the gnss global
navigation satellite system is a satellite based navigation
system made up of a network of 24 satellites placed into orbit
by the u s department of defense gps was originally intended
for military applications but in the 1980s the government
made the system available for civilian use
