Working from the Heart advocates for a deeper understanding that the therapist's expressions of non-sexual, non-romantic love are a core ingredient in effective psychotherapy. From a heart-centered perspective it provides therapists with ways of helping their patients forgive themselves, remove their blocks to receiving love, and engaging the realms of their emotional hearts and Higher Self in order to solve complex life dilemmas. *Popular Mechanics* inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. This work has been selected by scholars as being culturally important, and is part of
