Blaine McCracken races to stop terrorists from unleashing an ancient weapon of unimaginable power at the president's State of the Union speech Blaine McCracken pulled off the impossible on a mission in Iran, but his work has just begun. Returning to the US, he faces another terrible threat in the form of Reverend Jeremiah Rule, whose hateful rhetoric has inflamed half the world, resulting in a series of devastating terrorist attacks. But Rule isn't acting alone. A shadowy cabal is pulling his strings, unaware that they are creating a monster who will soon spin free of their control. Finding himself a wanted man, McCracken must draw on skills and allies both old and new to get to the heart of a plot aimed at unleashing no less than the tenth circle of hell. A desperate chase takes him into the past, where the answers he needs are hidden amid two of history's greatest puzzles: the lost colony of Roanoke and the Mary Celeste. As the clock ticks down to an unthinkable maelstrom, McCracken and his trusty sidekick, Johnny Wareagle, must save the United States from a war the country didn't know it was fighting, and that it may well lose. From #1 New York Times bestselling authors Jodi Picoult and Samantha van Leer, OFF THE PAGE is a tender and appealing YA novel filled with romance, humor, and adventure. Delilah and Oliver shouldn't be together. But they are together. And just as they're getting used to the possibility that happily ever after may really, truly be theirs, the universe sends them a message they can't ignore: they won't be allowed to rewrite their story. Delilah and Oliver must decide how much they're willing to risk for love and what it takes to have a happy ending in a world where the greatest adventures happen off the page. "Off the Page is just so sweet and magical. In high school, I would have given ANYTHING to crawl inside one of my favorite books to escape the real world. I wish!"—SARAH DESSEN, #1 New York Times bestselling author of Saint Anything #1 New York Times Bestseller and winner of the 2014 Living Now Book Award for Inspirational Memoir. 'An enormously smart, clear-eyed, brave-hearted, and quite a personal look at the benefits of meditation' - Elizabeth Gilbert, author of Eat, Pray, Love 'Dan Harris skilfully demystifies meditation, reminding us all that a healthy and happy mind is not only essential for our own sanity, but also for those around us. More importantly, he provides a compelling invitation to move beyond words, from the idea to the experience. A wonderful book and excellent advice.' - Andy Puddicombe, founder of Headspace 10% Happier is a spiritual book written for - and by - someone who would otherwise never read a spiritual book. It is both a deadly serious and seriously funny look at mindfulness and meditation as the next big public health revolution. Dan Harris always believed the restless, relentless, impossible-to-satisfy voice in his head was one of his greatest assets. How else can you climb the ladder in an ultra-competitive field like TV news except through nonstop hand-wringing and hyper vigilance? For a while, his strategy worked. Harris anchored national broadcasts and he covered wars. Then he hit the brakes, and had a full-blown panic attack live on the air. What happened next was completely unforeseen. Through a bizarre series of events - involving a disgraced evangelical pastor, a mysterious self-help guru and a fateful gift from his wife - Harris stumbled upon something that helped him tame the voice in his head: meditation. At first, he was deeply suspicious. He had long associated meditation with bearded swamis and unwashed hippies. But when confronted with mounting scientific evidence that just a few minutes a day can literally rewire the brain for focus, happiness and reduced reactivity, Harris took a deep dive. He spent years mingling with scientists, executives and marines on the front lines of a quiet revolution that has the potential to reshape society. He became a daily meditator, and even found himself on a ten-day, silent meditation retreat, which was simultaneously the best and worst experience he'd ever had. Harris's life was not transformed into a parade of rainbows and unicorns, but he did gain a passion for daily meditation. While the book itself is a narrative account of Dan's conversion amid the harried and decidedly non-Zen world of the newsroom, it concludes with a section for the novice on how to get started. Ten men were involved in the robbery and the gruesome murder of a gold merchant and his two employees. Stolen from them were 120 bars of pure gold. Nine of the men were subsequently found guilty. Seven were hung. Two narrowly escaped the gallows because of their youth. The tenth man, however, escaped death. A fast-paced account that captures the sinister excitement and drama of the plotting, and merciless and savage execution of the victims, by a twisted bunch of felons. Just who betrayed whom? 'Never one to shy away from moral and ethical dilemmas . . . Picoult gives her readers all the virtuosic plotting, cliffhangers and twists they've come to expect' Jane had always lived in somebody's shadow. Escaping a childhood of abuse by marrying oceanographer Oliver Jones, she finds herself taking second place to his increasingly successful career. However, when her daughter Rebecca is similarly treated, Jane's dramatic stand takes them all by surprise. Jane and Rebecca set out to drive across America to the sanctuary of the New England apple orchard where Jane's brother Joley works. Oliver, used to tracking male humpback whales across vast oceans, now has the task of tracking his wife across a continent. To do so he must learn to see the world - and even himself - through her eyes... NEW YORK TIMES BESTSELLER • “Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily’s journeys, creating a provocative exploration of the strength that love and acceptance require.”—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE’S BOOK OF THE WEEK ONE OF THE BEST BOOKS OF THE YEAR: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father’s beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can’t help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn’t acknowledge the flashes of his father’s temper in Ash, and as the case against him unfolds, she realizes he’s hidden more than he’s shared with her. Mad Honey is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves. On May 13 1992, the Bosnian civil war finally came to Prijedo, a once-peaceful city where Muslims, Croats and Serbs had lived side by side for centuries. The Serb occupation of Prijedor was an exercise in what the victors called 'ethnic cleansing' whereby the town's Muslim and Croat citizens were rounded up and sent to concentration camps. Among those who lived though the nightmare was the journalist Rewak Hukanovic, whose riveting memoir chronicles the crimes against humanity that were committed by the Bosnian Serbs in the death camps of Omarska and Manjaca. Through the summer and fall of that endless year, Hukanovic and his friends, colleagues, relatives and neighbours were subjected to terror, torture, and grisly death. Through his unbelieving eyes we see the patina of civilization stripped away from aggressor and victim alike, revealing a brutality that calls into question all our notions of human decency. The Justice League of America is the ultimate dream team made up of the greatest heroes the world has ever known: Superman, the Flash, Wonder Woman, Batman, Green Lantern, Aquaman and the Martian Manhunter. the League under attack from these mysterious beings, it is surely only a matter of time before one of them will fall... You think your parents love you but is it you they love, or the child who is theirs?” --Joyce Carol Oates, My Life as a Rat Which should prevail: loyalty to family or loyalty to the truth? Is telling the truth ever a mistake and is lying for one’s family ever justified? Can one do the right thing, but bitterly regret it? My Life as a Rat follows Violet Rue Kerrigan, a young woman who looks back upon her life in exile from her family following her testimony, at age twelve, concerning what she knew to be the racist murder of an African-American boy by her older brothers. In a succession of vividly recalled episodes Violet contemplates the circumstances of her life as the initially beloved youngest child of seven Kerrigan children who inadvertently “informs” on her brothers, setting into motion their arrests and convictions and her own long estrangement. Arresting and poignant, My Life as a Rat traces a life of banishment from a family—banishment from parents, siblings, and the Church—that forces Violet to discover her own identity, to break the powerful spell of family, and to emerge from her long exile as a “rat” into a transformed life. Winner of the Shingo Publication Award Accelerate your organization to win in the marketplace. How can we apply technology to drive business value? For years, we've been told that the performance of software delivery teams doesn't matter?that it can't provide a competitive advantage to our companies. Through four years of groundbreaking research to include data collected from the State of DevOps reports conducted with Puppet, Dr. Nicole Forsgren, Jez Humble, and Gene Kim set out to find a way to measure software delivery performance?and what drives it?using rigorous statistical methods. This book presents both the findings and the science behind that research, making the information accessible for readers to apply in their own organizations. Readers will discover how to measure the performance of their teams, and what capabilities they should invest in to drive higher performance. This book is ideal for management at every level. “A triumph. This novel’s haunting strength will hold the reader until the very end and make Faith and her story impossible to forget.” —Richmond Times Dispatch “Extraordinary.” —Orlando Sentinel From the #1 New York Times bestselling author Jodi Picoult (Nineteen Minutes, Change of Heart, Handle with Care) comes Keeping Faith: an “addictively readable” (Entertainment Weekly) novel that “makes you wonder about God. And that is a rare moment, indeed, in modern fiction” (USA Today). Accompanied by Virgil, Dante visited all nine circles, where the irredeemable wicked are punished for eternity; but in the belly of that appalling place he found no trace of the disabled. And yet, at that time, they were considered bearers of the maximum sin, the physical and mental non-conformity to the paradigm of the human species, as to say to the image of God. The tenth circle is that piece of hell that must be sought on earth. Always being outside a norm is considered an attack on the natural order of things, a danger to be fought with all energy. The presence of characters that differentiate an individual from the majority of his peers is capable of producing a social disadvantage, a handicap and relegates him to the margins of the community to which he belongs, when he does not completely expel him. Over the centuries the meaning of disability has been much more akin to that of guilt and sin, or of uselessness; sometimes even of crime. The book illustrates how disability was defined at different times, and how it is defined and considered today. Vanishing Acts Delia Hopkins has led a charmed life. Raised in rural New Hampshire by her widowed father, Andrew, she now has a young daughter, a handsome fiancé, and her own search-and-rescue bloodhound, which she uses to find missing persons. But as Delia plans her wedding, she is plagued by flashbacks of a life she can't recall. And then a policeman knocks on her door, revealing a secret that changes the world as she knows it. The Tenth Circle Fourteen-year-old Trixie Stone is in love for the first time. She's also the light of her father, Daniel's life—a straight-A student; a pretty, popular freshman in high school; a girl who's always seen her father as a hero. That is, until her world is turned upside down with a single act of violence. Suddenly everything Trixie has believed about her family—and herself—seems to be a lie. Could the boyfriend who once made Trixie wild with happiness have been the one to end her childhood forever? She says that he is, and that is all it takes to make Daniel, a seemingly mild-mannered comic book artist with a secret tumultuous past he has hidden even from his family, venture to hell and back to protect his

daughter. Nineteen Minutes Sterling is an ordinary New Hampshire town where nothing ever happens—until the day its complacency is shattered by an act of violence. Josie Cormier, the teenage daughter of the judge sitting on the case, should be the state's best witness, but she can't remember what happened before her very own eyes—or can she? As the trial progresses, fault lines between the high school and the adult community begin to show—destroying the closest of friendships and families. 'A young woman's battle for acceptance in a male-dominated world; her misadventures in love; and her torturous journey to track down her real parents in Germany' Mail on Sunday Best New Fiction From childhood, Katherine knows she is different, and that her parents are not who they seem to be. But as she grows up and becomes a mathematician, she faces the most human of problems - who is she? What is the cost of love, and what is the cost of ambition? On her quest to conquer the Riemann hypothesis, the greatest unsolved mathematical problem of her time, she turns to a theorem with a mysterious history that holds both the lock and key to her identity, and to secrets long buried during World War II. Forced to confront some of the biggest events of the twentieth century and rethink everything she knows of herself, Katherine strives to take her place in the world of higher mathematics, reclaiming the voices of the women who came before her whose love of the language of numbers connects them across generations. The Divine Comedy (La Divina Commedia) by Dante Alighieri (Durante di Alighiero degli Alighieri). A "comedy", that became a "divine book" for ancestors, is one of the greatest works of art known to the world. It is an encyclopedia of "moral, natural, philosophical and theological" knowledges, a tremendous synthesis of the feudal catholic ideology and the same tremendous epiphany that spread during the new culture times. A great poetic genius of the author put this comedy above the era and made it a legacy of centuries.
