Transform your yoga practice into an intimate, creative, and healing experience in this refreshing guide to yoga in the modern world “An inspiring read for all yogis.” —Michael Franti, musician, filmmaker, activist What if, instead of constantly pushing yourself beyond your limitations, you paused to really listen to your body’s needs? In Gravity & Grace, innovative yoga teacher and trainer Peter Sterios shares a unique set of practice principles to help anyone—from beginners to advanced practitioners and teachers—revitalize their approach to yoga by tuning into the subtle body. When our yoga practices become too rigid, overly focused on technique, or dependent upon ideals that are not suited to our bodies, we lose the full potential of what yoga offers—a truly personal pathway to physical well-being, emotional unfolding, and spiritual awakening. In this groundbreaking book, Sterios helps you embrace the full, healing potential of yoga as he shares wisdom gained from over 45 years of exploring yoga and the subtle body. He teaches that by developing a sensitivity to how the natural forces of gravity and grace are at work physically and psychologically, we become empowered to confidently decide

how to practice each day. Through an insightful blend of practical theory and direct instruction, Sterios will guide you to incorporate awareness of physical and subtle anatomy into your practice, utilize the breath for greater well-being, and create flowing sequences that naturally meet your unique needs in each moment. For teachers looking to deepen their offerings, students who want to bring a more personalized and healing experience to their yoga practice, and anyone working with physical limitations (from injury, body type, age, or any of the myriad obstacles humans face), Gravity & Grace is the “no-style” yoga guide you’ve been waiting for. The author rounds out his exploration with material from world renowned, contemporary Reiki Masters, Beckett’s own insights into the nature of Reiki energy, as well as information about the chakra system, yin and yang, and the Five Transformations. After eighteen years as a practitioner and teacher of Reiki, Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door. People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her. Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it. In her manual, Eileen brings with her a core community of Reiki practitioners and teachers from different traditions and backgrounds that journey alongside her and recognize, as she does, the simplicity, wonder and beauty of God's universal gift for our time. The healing stories are too numerous to count but she does include specific testimonials within her manual that speak for the thousands of others who have been healed through the doorway of Reiki. In this way, Eileen's Advanced and Master Level Training Manual, becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner and teacher. Written with inspiration and clarity, Eileen takes the reader on an amazing journey into the dynamic world of the inner self. Like a fresh current of air, she presents her material in an appealing and easily digestible manner. The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would

when producing gold. In this way, Eileen shows how the revered eastern practice of Reiki discovered by Dr. Mikao Usui, a Japanese Buddhist, in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other. At the same time, she shows how this simple, profound method of hands-on healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone. Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully. Others go away from the treatment or training feeling restored, refreshed and renewed. Reiki, the universal Life Force Energy of God, is not a new invention or modern day fad. Its roots are planted deep in ancient history. In the Old Testament, Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time. Even science and the world of medicine are looking at this complementary form of healing called "Reiki" with fresh new eyes. Its worldwide impact can no longer go unnoticed. About the Author Eileen Curteis, a Sister of Saint Ann, is a Reiki Master teacher and practitioner, who has taught and treated thousands of people over the last eighteen years at Queenswood, a former retreat and spirituality centre in Victoria, BC. Preceding this, Eileen was a teacher, principal and educator for twenty-seven years. Her greatest passion lies in her healing ministry and in the literary arts. She has authored eleven books to date and through the years has become an accomplished poet, artist, writer, as well as being a producer of six CDs and three films.

UNIVERSAL HEALING: is an Ancient, Angelic Distance Energy Healing System, Mainly For Internal, Self Healing And may be Used To Give hands on Healing; To Other People, You channel white, matter. And different types of matter. In this Universal Healing: you have control over this energy flow. It may be possible to slow this healing, it is not possible to stop it completely. The 1st level Attunement After this attunement: for the first three months you are not alone, call and I will send you free healing, and advice about universal healing; by text or email. The 1st level attunement will connect you to source, and allow a flow of light through you to take place. Once you are attuned, you will have control, over your own healing energy flow. This healing is on all the time; even if you are incapacitated. This energy will work constantly to regenerate your bodies physical systems. This flow at first will be felt, then in time you will not be a where of its flow, you will be used to it, when you have a pain in your body; instead of trying to ignore it, think about it: ask for the pain to stop; the pain will decrease. (Pain is a way the body lets you know, there is a problem area, you need to work on; sometimes long term problems, may take you time to find within you; what you need to work on to clear it) Think about the area, and it will receive healing. The 2nd level Attunement On this level you will be given tools of empowerment: These are diagrams of energy tools. Most off these special abilities you already have, and are unaware off: These tools will in time enhance the gifts within you. Each person has there own abilities, as you use these diagrams within your body, to heal your internal body systems, you will improve the manifestation part of your brain. This is the part of your brain that manifests your every day life, that allows you to walk through this play ground I call life path. Of course this process is not easy, but its fun. The Master Attunement This is the level you will be taught how to do the attunements: This is a simple process to teach you how to pass on this healing system to other people; the power within you has increased. The ability to regenerate tissue within you has increased, now your internal BA and KA channels are starting to increase in strength, and are used to heal your internal body systems with more efficiency. Channels: the main ones are the meridians: the KA channels and the fine BA channels, these flow through the immune system, and through the minute cell matrix systems; this is where most of the problems arise when the body starts to break down. In a domino effect through out the bodies physical Holographic matrix. All this is irrelevant because you don't need to know all this, to use this healing system. IE if you drive a car you only need to know how to drive it. There is no need to know, how to fix it, for this you call in an expert mechanic. Its the same for universal healing, to fix your self call in the angels and they will fix you. Most of your self healing, and expansion, and learning; has now taken place, from this point on, you will receive information and guidance: from me as an equal. The 2nd phase level This is an expansion of your physical and emotional awareness you will feel peace throughout your being, this expansion may be felt by every one around you, they may see the difference in you, as you gain more control over the environment around you. The Grand master Attunement This attunement will in time dispel completely the egos control over you, bringing you into balance. Allowing the I am Presence to shine through. Your peaceful light, may shine around you, for about 200 miles. And yet many of us know little about it, what it can be used for, and how it works. This book explains: * What it feels like to have treatment * How acupuncture works * How acupuncture helps to balance your energy and strengthen your immune system * How it can successfully treat a wide variety of ailments, from panic attacks to hot flushes, asthma, joint pains and the common cold * Which of the 'Five Element' types you are and how this relates to your health * How acupuncture can be used safely and effectively to treat pregnant women, children, and animals * How to find the right practitioner. Self-help information and questionnaires are also included to enable you to discover more about your diagnosis. Divided into chapters channeling each body area and its common ailments and aches—including those on our pets—and fully illustrated, In Focus Reiki teaches the basics to this increasingly popular practice to reduce stress, depression, anxiety, and physical pain and tap into your inner healer. Combined from the Japanese words Rei, meaning “God’s wisdom, universal life, or higher power” and Ki, meaning “life force or energy,” reiki is the healing

practice of balancing our “universal life energy” around our bodies. Founded in the early twentieth century by Japanese Buddhist monk Mikao Usui with the underlying belief that our bodies have the natural ability to heal, reiki transfers healing energy by using the placement of hands to blocked areas. The In Focus series applies a modern approach to teaching the classic body, mind, and spirit subjects, using expert authors in their respective fields and featuring relevant visual material to smartly and purposely illustrate key topics within each subject. As a bonus, seven illustrated meditation cards based on reiki principles are also included to give readers a quick, go-to reference guide containing the most important information on the subject, for easy practice and retention. The Light Within provides answers to some of the most frequently asked questions regarding the energy-based healing system of Reiki. What was the historical time period in which Mikao Usui lived? What was his family's background? Was he Buddhist or Christian? Where was he formally taught? What happened on Kurama Mountain? What part did Kwan Yin (Kannon) play in the formation of Reiki? Who can use Reiki? Is there really only one correct form of Reiki? Who can benefit from this Method? This easy-to-follow guide is your introduction into real no nonsense information that is useful to the novice as well as the expert. Inside you will discover the methods by which you can discover the origins of illness and disease, the energy path ways, the five levels of the human energy field, and how to create a balance of the mind, body and spirit.
